How does it look?

How does it sound?

How does it feel?

How does it smell?

What does it act like?

Parents!!

- You may write your child's answers for them, but please have them involved in the completion of this record book
- Please label or write an explanation of your child's drawings to help out our judges. (Something as simple as "Rabbit" or "Food dish" is helpful)
- All Supplementals listed below can be as complex as you feel your child can handle. Cut and paste or crayon drawings are great options.

Don't Forget!!!

Project Supplements you must Include:

1. A Cover Page with at minimum: Exhibitor name, Date, and Photo of student and the Project Animal(s)
2. A copy of at least one (1) Educational receipt (signed by event host or teacher), see Project Checklist for guidelines. Include all receipts for clinics you have completed.

And include at least one of the following:

1. Create a pedigree or lineage chart for your project animals.
2. Create a chore chart of daily, weekly, and monthly chores necessary to properly care for your animals.
3. Label the parts of your animal.
4. Color a page to look like your animal.
5. Draw a picture of you and your animal
6. Draw or take a picture of your animals' home.
7. Another project of your own creation that illustrates your knowledge of your project. (Feel free to ask your 4-H Leader or others for ideas)

Please also consider including:

1. Extra photo pages
2. A copy of your Buyer Letter
3. Extra educational information about your project animals or species

***** DO NOT INCLUDE photos or specific information from any previous projects! *****
